Good day

Here are the answers to your questions regarding LSFO.

Message received today 15.10.14 via our brokers NSI:

+++++

Physical suppliers for NW Canada are Marine Petrobulk and Aegean Bunkering.

Please note following confirmations that no LSFO or on spec Marine LSGO is available at Prince Rupert.

Marine Petrobulk
10 Pemberton Avenue
North Vancouver
Canada
001 604 987 4415

Quote

To confirm, LSFO is not available in Prince Rupert. I am not able to deliver LSMGO because the flash point is only 56 C and does not meet the specification.

I look forward to the inquiry for Vancouver. No issues regarding supply, We can wait until you are ready.

Best Regards
Tony Brewster
Marine Petrobulk

AEGEAN BUNKERING (USA) LLC
299 Park Avenue
2nd Floor
New York NY 10171
USA
001 778 995 9502

Quote

Thanks yours below - Unfortunately there is no LSFO available up there. There is Gasoil though (delivery via truck or barge) which doesn't meet the DMA Specs due to low flash point and high sulfur content.

Awaiting yours,

Best regards
George Tzanakis
Aegean Marine Petroleum SA

Unquote

We can confirm that the enquiry for Vancouver has been registered with both the above suppliers, availability is good, and we await the correct moment to obtain and fix firm offers.

Hope above clarifies situation, please let me know if any further information is required.

Best Regards,
Joe Wallace
Nautical Supply International Ltd (NSI)

++++

Thank you

Best regards
Juliet Vane / ED&F Man Shipping Ltd
